## Advisory for the formation of a Low Pressure Area in the East Central Bay of Bengal

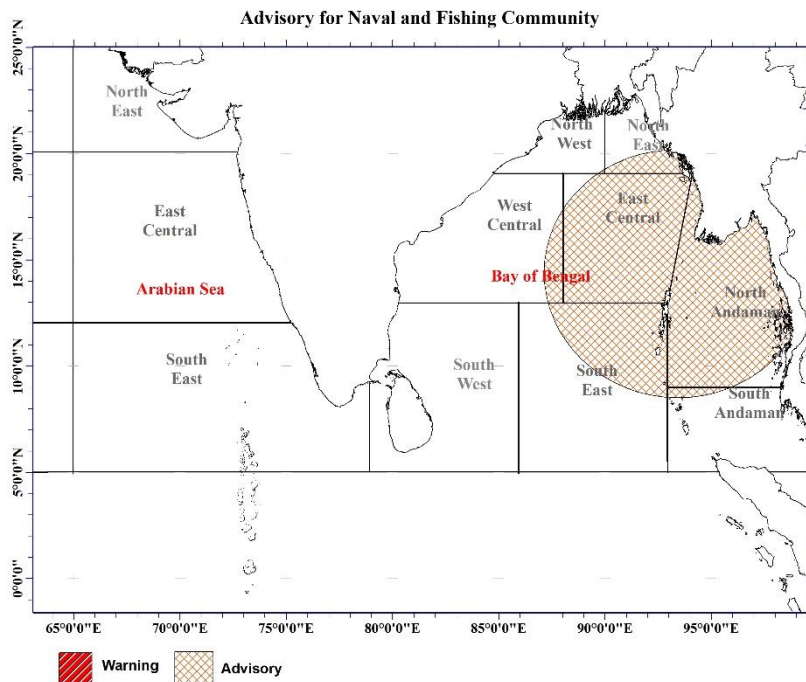

Issued by the Natural Hazards Early Warning Centre

Issued at 07.30 a.m 20 May 2021

### For the East Central Bay of Bengal

#### PLEASE BE AWARE!

- In anticipation of formation of the low pressure area is very likely to form over north Andaman Sea and adjoining East-central Bay of Bengal around 22<sup>nd</sup> May, 2021. It is very likely to intensify gradually into a cyclonic storm during subsequent 72 hours.

#### ACTION SUGGESTED:

##### For the Sea area:

- Naval and fishing communities are advised not to venture into the East Central Bay of Bengal and adjoining area (13N-20N, 85E-100E) from 21 May, until further notice.
- Those who are in aforementioned sea areas (13N-20N, 85E-100E) are advised to return to coasts or moved safer areas.
- Fishing and naval community are requested to be attentive regarding future forecasts issued in this regard.
