Strong winds about **(50-55) kmph** can be expected at times over the western slopes of the Central hills, Western, North-Western, North-Central and Southern provinces and in Trincomalee district.

Action Required:

- People living in **hilly areas (particularly landslide prone areas) and low-lying areas in river basins** are requested to be vigilant.
- Drivers and people using roads in the hilly areas are requested to be vigilant.
- Take adequate precautions to minimize damages caused by lightning activity.
- Beware of fallen trees and power lines.
- Be alert on the advisories issued by the Department of Meteorology.
- For emergency assistance contact the local disaster management authorities.
