Bulletin No: 01

WW/LO/21/11/07/01

COLOR: Red

Warning for Heavy Rain.

Issued by the Natural Hazards Early Warning Centre

Issued at 05.00 p.m. 07th November 2021, valid until 05.00 p.m. 08 November 2021

For Land area of the Sri Lanka

Enhancement of the showery condition in the land areas and windy condition in the sea areas around the island can be expected during 07th, 08th and 09th November, due to influence of the prevailing wind convergence zone in the vicinity of the island.

For the land area:

PLEASE BE AWARE!

Showers or thundershowers will occur at times in Western, Sabaragamuwa, Central, North-western and Northern provinces and in Galle and Matara districts.

Very heavy showers above 150 mm can be expected at some places in Western and Sabaragamuwa provinces and in Kandy and Nuwara-Eliya district. Heavy showers about 100 mm can be expected at some places in North-western and Northern provinces and in Matale, Galle and Matara districts during next 24 hours.

General public is kindly requested to take adequate precautions to minimize damages caused by temporary localized strong winds and lightning during thundershowers.
